

This architectural floor plan illustrates the layout of Bloco 02, a multi-story building at UERGS. The plan is divided into several functional zones:

- Classrooms and Lecture Halls:** Numerous rooms are labeled "SALA DE AULA" (Classroom) with dimensions such as 12,00m x 18,00m, 12,00m x 24,00m, and 12,00m x 30,00m. These rooms are equipped with desks and chairs for students.
- Laboratories:** The plan includes a "LABORATÓRIO DE FÍSICA" (Physics Laboratory) and a "LABORATÓRIO DE QUÍMICA" (Chemistry Laboratory), both with specialized equipment and safety features.
- Administrative and Support Spaces:** These include a "RECEPCÃO" (Reception), "COZINHA" (Kitchen), "DESMAC" (Dormitory), and "DESMACADO" (Dormitory area). There are also restrooms labeled "WC FEM" and "WC MASC".
- Common Areas:** The plan shows "CORRIDOR" (Corridor) and "ÁREA DE CIRCULAÇÃO" (Circulation area) for student movement.
- Entrances and Exits:** The main entrance is labeled "PORTA DE ENTRADA" and the exit is labeled "PORTA DE SAÍDA".
- Structural Elements:** The plan includes structural columns and beams, with dimensions for the overall building footprint.

The layout is designed to provide a functional and safe environment for students and faculty, with clear circulation paths and designated areas for different activities.

This architectural floor plan illustrates the layout of Bloco 01, a multi-story building at UERGS. The plan is divided into several functional zones:

- Classrooms and Lecture Halls:** Numerous rooms are labeled "SALA DE AULA" (Classroom) with dimensions such as 12,00m x 18,00m, 12,00m x 24,00m, and 12,00m x 30,00m. These rooms are equipped with desks and chairs for students.
