

The image displays six technical drawings of mechanical components, arranged in a 3x2 grid. Each drawing is a detailed cross-section or side view of a device, with various parts labeled with text and leader lines. The drawings are as follows:

- Top Left:** A drawing of a pump assembly, labeled "POMPO DE BOMBAMENTO". It shows a central shaft with a pump head and various support structures.
- Top Right:** A drawing of a valve assembly, labeled "VÁLVULA DE BOMBAMENTO". It shows a vertical shaft with a valve head and various support structures.
- Middle Left:** A drawing of a pump assembly, labeled "POMPO DE BOMBAMENTO". It shows a central shaft with a pump head and various support structures.
- Middle Right:** A drawing of a valve assembly, labeled "VÁLVULA DE BOMBAMENTO". It shows a vertical shaft with a valve head and various support structures.
- Bottom Left:** A drawing of a pump assembly, labeled "POMPO DE BOMBAMENTO". It shows a central shaft with a pump head and various support structures.
- Bottom Right:** A drawing of a valve assembly, labeled "VÁLVULA DE BOMBAMENTO". It shows a vertical shaft with a valve head and various support structures.
